Dear Mahsa,

TOWN AND COUNTRY PLANNING ACT 1990
CONSULTATION RETURN: DC/20/05581

PROPOSAL: Planning Application - Change of Use of Common Room for use as separate sheltered housing flat including alterations to provide parking (retention of works to building under COVID 19 permitted development).

LOCATION: 3A The Croft Tostock Suffolk IP30 9NX

Notice is hereby given that the County Council as Highway Authority recommends that any permission which that Planning Authority may give should include the conditions shown below:

Condition: The use shall not commence until the area(s) within the site shown on Drawing No. MW00279/TOST'K/05 Rev. P5 for the purposes of manoeuvring and parking of vehicles has been provided and thereafter that area(s) shall be retained and used for no other purposes.

Reason: To ensure that sufficient space for the on site parking of vehicles is provided and maintained in order to ensure the provision of adequate on-site space for the parking and manoeuvring of vehicles where on-street parking and manoeuvring would be detrimental to highway safety to users of the highway.
