The Case Officer, Mel Corbishley, gave a brief introduction to the context of this application, following the quashing of the Council's previous decision.

The Chairman then suggested to Members that because the annexe subject of the application had now been built, a site visit would be helpful to their consideration. He referred to the provisional arrangements which had been put in place in the event that the Committee was minded to carry out a site visit, to take place after the meeting. This was proposed and seconded, and agreed on being put to the vote.

**RESOLVED**

- (1) That a site inspection be held following the conclusion of the meeting in respect of Application No B/16/01254/FUL.**
- (2) That a Panel comprising the Members present at the meeting be appointed to inspect the site.**
