**Officer Delegated Decision made on 11 April 2024**

**Decision**

To approve the appointment of a new domestic heating contractor that have ranked first place after the evaluation of all submitted tenders. The tender process was weighted 60/40 against quality and cost. The tender process and financial checks were carried out by Faithorn Farrell Timms and the BMSDC procurement and building services teams.

**Key Decision: Yes**

**Subject to Call In: Yes**

**Reason for Decision**

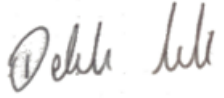

The current historic contract that is in place is not fit for purpose, doesn't have a robust set of KPIs which ensures that contractors can be held to account for poor performance. The new contract will ensure that the councils compliance position remains healthy, with several changes to the working practices made to help improve our compliance position and ultimately provide a better service for the residents.

The number 1 ranked contractor is not named in this document as tenderers have not been notified of the outcome yet.
