8. Shared Service/Partnership Implications

8.1 There are no shared service implications.

9. Implications for the Joint Strategic Plan

9.1 Good governance and democratic, sound and transparent decision-making support the delivery of the Joint Strategic Plan.

10. Key Information

10.1 Under the provisions of the Local Government and Housing Act 1989 where a local authority is grouped for Committee composition purposes, the Authority is required to make arrangements to ensure that its Committees share the same political balance as the full Council.

10.2 The Local Government (Committees and Political Groups) Regulations 1990 allow ungrouped members to receive committee seats if any are left over once allocations have been made to the political groups in proportion to their membership of the authority. The political groups of Babergh make up 100% of the Council and therefore all of the politically balanced Committee seats go to political groups.

10.3 The current Committee structure has 43 available seats which go to political groups.

10.4 Following the election of Councillor Luke Cresswell to the Sudbury South Ward on Thursday 7 September 2017, the Monitoring Officer received notification from Councillor Tony Bavington that a Labour group consisting of two members would be formed.

10.5 The Council is therefore asked to approve the revised numerical allocation of Committee seats, and the calculation in accordance with the provisions of the Local Government and Housing Act 1989, as shown in Appendix one to this report. The calculation provides for 43 Committee seats to the various groups as follows:-

Conservative	-	28 seats
Independent	-	8 seats
Liberal Democrats	-	3 seats
Independent Conservative	-	2 seats
Labour	-	2 seats

10.6 Further to the proposed amendments to the allocation of committee seats the relevant Group Leaders have notified the Monitoring Officer of alterations to the members appointed to the Committees. The Council is asked to note these appointments as at Appendix two to this report.
