ADDITIONAL INFORMATION 2024/25 GENERAL FUND BUDGET

This tabled report amends the 2024/25 General Fund position for two late minor changes required to the Council Tax and the Business Rates forecast income. An amount of £27k has been removed from the budget for Empty Homes Premium as this is subject to approval at this Council's meeting. The addition of £95k Business Rates from renewables has been added into the budget as this had incorrectly been omitted. The overall net change is an additional £68k income to the revenue budget meaning that the forecast surplus overall is £132k.

Budget, Funding and Council Tax Requirements

- 1) The precept requirements of Parish / Town Councils must be aggregated with the requirement of this authority to arrive at an average Council Tax figure for the district / parish purposes. This figure however is totally hypothetical and will not be paid by any taxpayer (other than by coincidence).
- 2) The County and the Police and Crime Commissioner's precept requirements are added to this.
- 3) The legally required calculation is set out below:
 - a. The General Fund Budget requirement for the District Council purposes in 2024/25 will be £188.10, based on a 2.99% increase to Council Tax for a Band D property.
 - b. The County Council precept requirement will be £1,571.04 for a Band D property in 2024/25, an increase of £74.61 (4.99%).
 - c. The Police and Crime Commissioner's precept requirement will be £275.58, an increase of £12.96 (4.93%).
 - d. The Parish / Town Councils average band D council tax figure will be £97.67, an increase of £4.62 (4.96%) .
- 4) Each £1 of council tax collected by the District Council is distributed as per the chart below.

Chart: Where the council tax collected goes

- 5) Babergh is a billing authority and collects council tax and non-domestic rates on behalf of the other precepting authorities i.e. Suffolk County Council, Suffolk Police and Crime Commissioner and Parish / Town Councils. The dates that monies collected are paid over to the County Council, and the Police and Crime Commissioner (“precept dates”) need to be formally agreed under Regulation 5(i) of the Local Authorities (Funds) (England) Regulations 1992.
- 6) Established practice is for payments to be made in 12 equal instalments on the 15th of each month or the next banking day if the 15th falls on a weekend or bank holiday. Accordingly, the precept dates applicable for 2024/25 are expected to be as follows:

15 April 2024	15 May 2024	17 June 2024	15 July 2024
15 August 2024	16 September 2024	15 October 2024	15 November 2024
16 December 2024	15 January 2025	17 February 2024	17 March 2024
