Dear Mr Osborn

Up until [REDACTED] I was a resident of Wickham Skeith and then moved away. I have recently been speaking to some of my old neighbours who have informed that you are hopefully going to build some smaller semi-detached properties which could be more affordable for youngsters trying to get on the property ladder.

This is a great idea and will be beneficial to the people in Wickham Skeith and/or their children. Could my daughter [REDACTED] add her name to any list you may have regarding the purchase of any smaller houses that could come up for sale.

I wish you luck in this venture, and I know that you have the backing of all my ex neighbours that I have spoken to.

Kind regards

[REDACTED]

Dear Mr and Mrs Osborn

██████████ have been watching with interest your plans for the small development you are planning in land west of Grange Road in Wickham Skeith. Please forgive this unsolicited approach but I am interested in purchasing one of the houses as I have been resident ██████████ in the village for nearly 50 years.

After many years of living in a [REDACTED] at the other end of the village I am very much hoping to be able to move into a more manageable home and your development [REDACTED] in particular caught my eye.

**If you are looking to secure an advanced sale for your development I'd be very interested in speaking with you about the opportunity. I'm not in any hurry and can be flexible to suit your building schedule and plans and have available funds**
