16b **TO CONSIDER THE MOTION ON NOTICE RECEIVED FROM COUNCILLOR JAMIESON**

**Motion for Babergh to sign up as a City of Sanctuary**  
**<https://la.cityofsanctuary.org/motions>**

The crisis in Ukraine and the horrific scenes that we are seeing on an hourly basis are deeply concerning. With this current crisis in mind, along with many other conflicts around the world, I ask the Council to show it is committed to welcoming asylum seekers and refugees to the District and including them in our activities. This will show that Babergh Council recognises their potential contribution to our towns and villages.

To this end, we pledge to:

- Welcome to Babergh those fleeing violence and persecution in their own countries;
- Value the contribution those seeking sanctuary can make to our district;
- Support taking practical steps to welcome and integrate all people into our communities, activities and culture;
- Add our organisation's name to the body of supporters and we will offer relevant and practical action as appropriate.
- This council will work to implement the **City of Sanctuary** pledges through its actions and policies, and with its partners in the statutory and voluntary sectors.

**Proposer: Cllr Jamieson**  
**Secunder: Cllr Owen**

### **Terms of Reference Community Governance Review Local Government and Public Involvement in Health Act 2007 Terms of Reference**

#### **1. Introduction What is a Community Governance Review?**

A Community Governance Review is a review of the whole or part of the council's area to consider one or more of the following:

- creating, merging, altering or abolishing parishes
- the naming of parishes and the style of new parishes
- the electoral arrangements for parishes (the ordinary year of election, council size (the number of councillors to be elected to council), and parish warding); and
- grouping parishes under a common parish council or de-grouping parishes other types of local arrangements, including parish meetings

A Community Governance Review is required must consider:

- the impact of community governance arrangements on community cohesions
- the size, population and boundaries of a local community or parish.

The council is required to ensure that community governance within the area under review will:

- be reflective of the identities and interests of the community in that area and
- be effective and convenient

If the council is satisfied that the recommendation of a Community Governance Review would ensure that community governance within the area under review will reflect the identities and interests of the community in that area, and is effective and convenient, the council makes a Community Governance Order.

#### **2. Why is the Council carrying out this Community Governance Review?**

The council is required to keep its area under review every 10-15 years.

Following a number of requests from Parishes for a Review, it was deemed appropriate to undertake a Review of the whole principal council area, rather than dealing with review requests piecemeal.

A Community Governance Review offers an opportunity to put in place strong, clearly defined boundaries, tied to firm ground features, and remove the many anomalous parish boundaries that may exist.

### **3. Scope of the Review**

The Review will consider any Community Governance Review requests received following publication of the Terms of Reference.

### **4. Consultation How the Council proposes to conduct consultations during the Review?**

Before making any recommendations or publishing final proposals, the council must consult local government electors for the area under review and any other person or body (including a local authority) which appears to the council to have an interest in the review.

The council will therefore:

- publish a Notice and these Terms of Reference on the council's website and arrange for copies to be available for public inspection
- send a copy of the Notice and these Terms of Reference to all parish clerks
- seek to arrange for the notice to be published on parish council websites and notice boards; and
- send a copy of the Notice and these Terms of Reference to all local Members of Parliament Before making any recommendations, the council will take account of any representations received.

The council will publish its recommendations as soon as practicable and take such steps as it considers sufficient to ensure that persons who may be interested in the Community Governance Review are informed of the recommendations and the reasons behind them.

The council will notify each consultee and any other persons or bodies who have made written representations of the outcome of the Review.

### **5. Timetable for the Community Governance Review**

The council must complete a Community Governance Review within twelve months from the day on which the Council publishes the Terms of Reference.

A Community Governance Review is concluded on the day on which the Council publishes the recommendations made by the Community Governance Review.
