34 **C/18/17 - PAY POLICY STATEMENT FOR 2017/18**

Councillor Gowrley, Leader of Council introduced the report which set out the Pay Policy for 2017/18. The Localism Act 2011 required local authorities to produce a Pay Policy Statement each year for the financial year ahead. A pay policy statement must set out the remuneration of its chief officers, the lowest paid employees and the relationship between them. The pay policy for 2017/18 was substantially the same as last years, with some slight amendments to reflect changes to job titles and reporting arrangements within the Senior Leadership Team. It was confirmed that the payment of the chief officers was within the boundaries set out in the policy statement as referred to in paragraphs 5.4.2, 5.5.3 and 5.5.5 of Appendix A. Section 6 of the Appendix set out the general principles that were applied to remuneration, covering recruitment, increases and additions to remuneration, termination payments and transparency.

Councillor Gowrley proposed the recommendation which was seconded by Councillor Horn.

Members considered the report and raised questions on various issues including:

- Changes to the gross salary bill since the staff reorganisation
- Fees for running elections
- Whether any other allowances were paid that were not included eg health care
- Whether the Councils' policy regarding the differentials between the Chief Officers pay and the lowest paid employees was comparable to other local authorities
- The current position regarding staff appraisals and incremental pay rises.

Councillor Gowrley agreed to investigate the differential in comparison to other local authorities and advise Members accordingly.

Members requested a report to a future Cabinet meeting giving details of the current staff appraisal process regarding performance and pay to allow an informed decision to be taken on the way forward.

By a majority vote

RESOLUTION

That the proposed Pay Policy Statement for 2017/18, attached as Appendix A to the report, be approved

C/19/17 - ADOPTION OF REVISED CONSTITUTION

Councillor Gowrley, Leader of Council introduced the report and advised that following the Council's decision to adopt the Leader-Cabinet model of governance in December 2016, the Monitoring Officer had now made amendments to the Constitution to reflect the establishment of a Cabinet and to support the decision making processes related to this model of governance.

The schedule appended to the Council report detailed the amendments that had been made to the Constitution. These were primarily concerned with the Articles of the Constitution, the Council Procedure Rules, Scheme of Delegations, Contract Standing Orders and Financial Regulations.

In this revision of the Constitution the changes had been limited to only those which were fundamentally necessary for the Council to operate under the Leader-Cabinet model. In the future the Constitution will be reviewed annually on a rolling basis by the Joint Audit and Standards Committee. This approach to the Constitution review had been endorsed by the joint cross-party Strengthening Governance Task and Finish Group.

He reiterated that the changes made were essential to the operation of the Leader-Cabinet system of governance and consequently moved the recommendation in 2.1 that the Council adopted the revised Constitution.

The motion was seconded by Councillor Levantis.

In response to Members' questions it was noted that the Monitoring Officer was delegated to make any necessary minor amendments and would also review the Constitution on a rolling basis and at least annually.

By a majority vote

RESOLUTION

That the revised Constitution, as detailed in Appendices A and B to the report, be adopted
