10. Key Information

- 10.1 This report shows the non-salary expenses paid to the Chief Executive, Strategic Directors, and Heads of Service for the financial year 2015/16. The details of these expenses are shown in Appendix A. Please note the job titles are those that were applicable during the financial year being reported.
- 10.2 Travel costs are the largest element of the expenses shown in Appendix A. An important element of this is travel undertaken to work collaboratively across Suffolk and East Anglia and also to promote the councils' reputation at a national level, through speaking at conferences or meeting with DCLG. Such work has resulted in the announcement of the East Anglian Devolution deal.
- 10.3 Conferences are attended in order to keep up to date with what is happening in the public sector as a whole, and also in specialist areas to ensure that the councils' are reflecting current and best practice. This is increasingly important as the councils' move towards working within a more commercial environment. These events provide a good opportunity to network and learn from other local authorities across the country to ensure officers are well equipped to take advantage of the opportunities that the changing landscape of local government presents.
- 10.4 The total non-salary expenses paid in 2015/16 represent less than 2% of the salary costs of this particular group of staff for the same period of time.
- 10.5 The last report that was presented to the Joint Audit and Standards Committee (Paper JAC34 1 September 2014) showed the expenses for 2013/14. These totals along with the detailed 2014/15 expenses have been included in Appendix B for comparative purposes.
