Law and Governance Assistant Director Emily Yule

The Law and Governance teams are predominantly support services and contribute to the delivery of the Joint Strategic Plan by providing professional support and advice to all other service areas. The team have an essential role in maintaining and promoting good governance throughout the organisation.

	April - June 2018	July - September 2018	October - December 2018	January - March 2019
Main Achievements	The Council has introduced a new online			
	payments system for those buying homes in			
	their districts. The new system allows those			
	requesting a Local Land Charge Search –			
	which carries with it a search fee – to pay			
	quickly and easily online, via credit or debit			
	card. Most Land Charge Service customers			
	are solicitors and agents delivering			
	conveyancing services to those buying a			
	house although anyone can request this			
	service regarding any property. In addition			
	we have added a new online form and			
	payment system for personal searches,			
	which include only selected parts of the full			
	official search.			
	2. The Council is GDPR compliant. GDPR or			
	General Data Protection Regulations came			
	into effect on the 25 May 2018. We have			
	been training staff, updating privacy notices			
	and introducing new procedure and policies			
	to ensure we are complaint and that we			
	treat people's personal data accordingly			
	inline with the new regulations.			
mpact on communities / the way we	1.The new processes is easier and more			
vork	convenient for our customers and by			
	reducing administration time associated			
	with payment by cheque this will reduce the			
	time required for searches to be completed,			
	giving customers the information they need			
	faster. It will also help control the cost of			
	delivering the service and there have been			
	no increases in the Land Charges search fees			
	this year.
