## **Communities**

## **Assistant Director Tom Barker**

The Communities Service Area includes: Safe Communities (including community safety, anti-social behaviour, safeguarding and the Community Safety Partnership)

Strong Communities (including grants, external funding, community development, and community rights)

Healthy Communities and Policy (including health and wellbeing, health interventions and preventative activity)

|                   | April - June 2018                               | July - September 2018                            | October - December 2018 | January - March 2019 |
|-------------------|---|--|-------------------------|----------------------|
| Main Achievements | The professional Women's Cycling tour of        | 1.The Communities team formed a                  |                         |                      |
|                   | Britain, passed through Mid Suffolk district on | working group with staff from Ipswich            |                         |                      |
|                   | 13th June.                                      | Borough Council and Suffolk County Council       |                         |                      |
|                   | The Councils' Health and Wellbeing Team         | to collaboratively organise and deliver a        |                         |                      |
|                   | organised two community events, one at          | range of health and wellbeing promoting          |                         |                      |
|                   | Bosmere Primary School, Needham Market          | activities for Workplace Health Week held        |                         |                      |
|                   | and the other at Stradbroke Community           | between 10 &14 September. In addition we         |                         |                      |
|                   | Centre; these attracted around 160 visitors in  | also held a Prostate Cancer Day on 12            |                         |                      |
|                   | total. Activities included cycle simulators and | September to raise awareness of the              |                         |                      |
|                   | an open-air cinema screening. There was also    | condition, helping to raise £250 for the East    |                         |                      |
|                   | a very good turnout of spectators along the     | Suffolk Prostate Cancer Support Group (this      |                         |                      |
|                   | route. In addition to these events, the Council | covers the Babergh and Mid Suffolk area).        |                         |                      |
|                   | supported a range of other community            | The event involved a talk by a Macmillan         |                         |                      |
|                   | activities through a small grant fund. Many of  | nurse, information on diagnosis and the          |                         |                      |
|                   | these took place on the day, including a        | opportunity for staff to contribute to a local   |                         |                      |
|                   | decorating bikes initiative at Wilby, a school  | charity by wearing a sports top of their         |                         |                      |
|                   | colouring competition (5 primary schools took   | choice.  |                         |                      |
|                   | part) and a tea party held by Stowmarket        | 2. The Health and Wellbeing team have            |                         |                      |
|                   | Town Council to raise money for Stow            | been helping to promote bowling as a             |                         |                      |
|                   | Dementia Action Alliance and the Alzheimer's    |  |                         |                      |
|                   | Society. Debenham Leisure Centre also hosted    | work, Stowmarket Rookery Bowls Club              |                         |                      |
|                   | a fun packed activity morning for the children  | hosted some free taster-sessions in indoor       |                         |                      |
|                   | at the local primary school which included a    | bowls for older people living in the             |                         |                      |
|                   | 'bikeability' session.                          | Stowmarket area. We worked with the club         |                         |                      |
|                   | ·   | to identify 6 locations to offer the sessions. , |                         |                      |
|                   |   | including the sheltered housing scheme at        |                         |                      |
|                   |   | Partridge Court and other venues.                |                         |                      |
|                   |   |  |                         |                      |
|                   |   |  |                         |                      |

| Main Achievements continued  | Mental Health work has included a successful  | 2. cont. Venues included venues such as  |  |
|--|---|--|--|
| iviain Achievements continued  |   | Cedrus House and Hillcroft Nursing home.   |  |
|  |   | As part of the initiative, volunteers from the   |  |
|  |   | club were trained in first aid and   |  |
|  | ·   | safeguarding. The sessions were very well  |  |
|  |   | attended and received excellent feedback.  |  |
|  | ,   | 3. The Make, Do & Friends Project has  |  |
|  | •   | commenced. With the support of the   |  |
|  |   | Communities team, Suffolk Artlink in   |  |
|  |   | partnership with the Rural Coffee Caravan  |  |
|  |   | and DanceEast are delivering a high-quality  |  |
|  |   | arts outreach programme led by artists. The  |  |
|  |   | programme which has secured Arts Council   |  |
|  |   | funding for two years has been designed for  |  |
|  | that safeguarding measures are implicit in our  | ,  |  |
|  |   | particularly those who are rurally isolated or   |  |
|  |   | lonely by providing opportunities for people   |  |
|  | •   | to get together and try new activities.  |  |
|  |   | to got together are a , men attribute.   |  |
|  |   |  |  |
|  |   |  |  |
|  |   |  |  |
| Main Achievements continued  |   | 4.The Lullaby project provides children in   |  |
|  |   | the early years with the opportunity to  |  |
|  |   | experience world-class orchestral music  |  |
|  |   | through specially created events. So far 3   |  |
|  | strong evidence of compliance and agreed we   |  |  |
| the state of the s | de la companya de la  | I are added as a first of the second all the second disconnections.  |  |
