

MID SUFFOLK DISTRICT COUNCIL

TO: Cabinet	REPORT NUMBER: MCa/18/47
FROM: Cllr Glen Horn - Cabinet Member for Planning	DATE OF MEETING: 10 December 2018
OFFICER: Robert Hobbs - Corporate Manager – Strategic Planning	KEY DECISION REF NO. CAB54

STRADBROKE NEIGHBOURHOOD PLAN

1. PURPOSE OF REPORT

- 1.1 To present the findings of the Independent Examiner's Report on the content of the Stradbroke Neighbourhood Plan Submission Draft document.
- 1.2 Subject to the implementation of the detailed recommendations contained within the Examiner's Report, it is proposed that Cabinet agree that the Stradbroke Neighbourhood Plan can proceed to a local referendum.

2. OPTIONS CONSIDERED

- 2.1 The local planning authority may propose to make a decision on a recommendation that differs from that set out by the Examiner in their report. If so, it must give its reason why and undertake further consultation before issuing a final decision. As appropriate, this may require the matter to be re-examined. For the reasons set out in section 4 below, this option has been discarded.
- 2.2 The recommended option as set out below is that the local planning authority agree that the NP can proceed to a local referendum.

3. RECOMMENDATIONS

- 3.1 That Stradbroke Parish Council be requested to make the necessary modifications to their Neighbourhood Plan in accordance with the Examiner's recommendations.
- 3.2 That, subject to the satisfactory completion of the above (to be agreed by the Corporate Manager for Strategic Planning), the Neighbourhood Plan be advanced to a local referendum covering the parish of Stradbroke.

REASON FOR DECISION

- 3.3 To enable the Council to meet its statutory obligations under Section 17A of the Neighbourhood Planning (General) Regulations 2012 (as amended) and to allow the Stradbroke Neighbourhood Plan to proceed to a local referendum.

4. KEY INFORMATION

- 4.1 The Localism Act 2011 introduced the concept of neighbourhood plans. These are plans developed by local communities covering the area in which they live and work, and provide them with an opportunity to prepare planning policies and allocate land to shape the future of their area. Consequently, each plan has its own character.
- 4.2 The Stradbroke Neighbourhood Plan has been prepared in accordance with the Neighbourhood Planning (General) Regulations 2012 (as amended). The key stages prior to the Plan being independently examined are set out below:
- Area Designation on 11 September 2014
 - Regulation 14 Pre-submission Consultation between 20 January and 2 March 2018 (carried out by the Parish Council).
 - Regulation 16 Submission Draft Consultation between 19 April and 1 June 2018 (carried out by the District Council). During this period, nineteen written representations were received.

The Consultation Statement provided by the Parish Council / Neighbourhood Plan Working Group sets out in more detail how they have gone about preparing the Plan. Officers at the District Council have also had regular engagement with the Parish Council during the Plan's preparation.

- 4.3 The independent examination of the Plan was carried out by Janet Cheesley BA (Hons) DipTP MRTPI, they being a suitably qualified and experienced person who was independent of the plan making process. The examination was conducted via written representations and through questions from the Examiner to which both the Parish and District Council responded. [NB: *The same person examined the Debenham Neighbourhood Plan.*]
- 4.4 On 19 October 2018 the Examiner issued their Final Report. It concluded that, "*subject to modification, the Stradbroke Neighbourhood Plan will provide a strong practical framework against which decisions on development can be made.*" The modifications and other recommendations of note are summarised in paragraph 4.7 below. The Examiner's full report can be accessed via the link at Appendix 1. The Examiner did not consider it necessary to extend the local referendum area
- 4.5 The District Council must now consider each recommendation, the reasons for them, and decide what action to take in response to each one. It must also come to a formal view about whether the Plan meets the 'Basic Conditions'.
- 4.6 The 'Basic Conditions' are set out in Paragraph 8(2) of Schedule 4B of the Town and Country Planning Act, 1990. In order to satisfy them a Plan must:
- have regard to national policies and advice contained in guidance issued by the Secretary of State;
 - be in general conformity with the strategic policies contained in the Development Plan for the area;
 - contribute to the achievement of sustainable development; and
 - not breach, and be otherwise compatible with, EU obligations and human rights requirements.

4.7 The Examiner concluded that, subject to the implementation of the modifications, the Neighbourhood Plan meets the Basic Conditions and other statutory requirements and can proceed to a referendum. In the main the recommendations involve improving the wording of policies so that they are clear and unambiguous and can be used in a consistent manner by decision makers.

The recommendations are:

- confirmation that policies STRAD3 (Housing Mix), STRAD6 (Education & Health Infrastructure), STRAD7 (Community Infrastructure), and STRAD15 (Retail Provision) all meet the Basic Conditions and require no modification;
- modifications to policy STRAD1 (Development Strategy & Principles) to correct a mathematical error, apply consistency in wording and to including appropriate cross-reference links to other policies within the Plan;
- clarifying the relationship between policy STRAD2 (Design Principles) and landscape guidance provided elsewhere, and deleting references to additional local technical standards or requirements relating to new dwellings;
- providing clearer guidance within policy STRAD4 (Utilities Provision) around developers being encouraged to seek the most comprehensive solutions;
- modifications to policies STRAD5 (Flood Mitigation), STRAD16 (Land N of Laxfield Road) and STRAD18 (Land S of New Street) with regards to flood mitigation and flood risk matters;
- resolving internal conflicts within the plan relating to pedestrian movement in policy STRAD8 (Highways Access and Pedestrian Movement) and parking provision in policy STRAD10 (Parking Provision);
- deletion of policy STRAD9 (New Estate Roads) and supporting text as this is not a development and land use planning matter;
- removal of the (hard surface) Tennis Courts from the list of designated local green spaces in policy STRAD11 (Local Green Spaces);
- provide further clarity around appropriate archaeological investigations in policy STRAD12 (Historic Environment & Design) and, in policies STRAD17 (Land E of Farriers Close), STRAD19 (Land S of Mill Lane) and STRAD20 (Land at Grove Farm), providing revised wording relating to the setting of the Conservation Area and adjacent listed building(s);
- clarifying the reference to guidance provided in policy STRAD13 (Light Pollution); and
- modification of part of policy STRAD14 (Existing Employment Sites) with regards to additional employment opportunities within the Parish.

4.8 Officers have assessed the content of the Examiner's Report and each recommendation and concur with its findings. It is therefore recommended to the Cabinet that all the modifications proposed be made by the Parish Council to ensure that to the Stradbroke Neighbourhood Plan complies with the Basic Conditions. If the Cabinet agrees with this recommendation the District Council will need to publicise its decision (a 'Decision Statement') and move to a local referendum.

4.9 The Housing and Planning Act 2016 has made it clear that the only modifications that the District Council can make at this stage are those required to ensure that:

- the plan is compatible with EU obligations,
- the plan does not breach Convention Rights, or
- those required for the purpose of correcting minor errors.

The District Council is therefore only able to exercise limited discretion at this point.

- 4.10 The task of modifying the plan falls to the Parish Council with assistance from the District Council. While there are no prescribed periods for this process, a copy of the plan, as modified, along with other specified documents will be required before the date of the local referendum can be confirmed.
- 4.11 Stradbroke Parish Council have already amended the text to its neighbourhood plan in line with the Examiner's recommendations and provided a 'track-change' version to show how this has been done. A link to this document is provided at Appendix 2. The plan is therefore nearing the local referendum stage.
- 4.12 The referendum process is governed by the Neighbourhood Planning (Referendum) Regulations, 2012 (as amended). The regulations set out that not less than 28 working days' notice must be provided of the date of the local referendum. At this stage it is proposed that the referendum take place in late January / early February 2019, and on a suitably convenient date to be agreed by the Electoral Services Team.
- 4.13 The Parish Council will be expected to promote the referendum but it should be noted that there are restrictions on the publication of promotional material, advertisements and expenses. The format of the Referendum question will be:

'Do you want Mid Suffolk District Council to use the neighbourhood plan for Stradbroke to help it decide planning applications in the neighbourhood area?'

- 4.14 If more than 50% of those who vote in the referendum are in favour of the Neighbourhood Development Plan, then it must be brought into legal force and be 'made' (adopted) by the District Council. A further paper would be presented to Full Council to ratify the eventual outcome.

5. LINKS TO JOINT STRATEGIC PLAN

- 5.1 The successful making (adoption) of the Neighbourhood Plan will enable the District Council to fulfil its corporate priorities in terms of housing delivery, business growth and community capacity building.

6. FINANCIAL IMPLICATIONS

- 6.1 The District Council receives £20,000 from the Ministry of Housing, Communities and Local Government for each neighbourhood plan once a referendum date has been set following a successful examination. This sum is paid to meet the District Council's costs in helping to deliver this Plan and will be sufficient in this case.
- 6.2 If the Stradbroke Neighbourhood Plan is successfully 'made' (adopted) the Parish Council will be eligible to receive 25% of any Community Infrastructure Levy receipts from development in its area.

7. LEGAL IMPLICATIONS

- 7.1 The Neighbourhood Plan has been prepared in accordance with the provisions of the Town and Country Planning Act, 1990, the Planning and Compulsory Purchase Act, 2004 and the Neighbourhood Planning (General) Regulations, 2012 (as amended). It has also had regard to the Environmental Assessment of Plans and Programmes Regulations, 2004 and the Conservation of Habitats and Species Regulations, 2010.
- 7.2 If 'made' (adopted), the Stradbroke Neighbourhood Plan will become part of the Development Plan and, where relevant, used to determine planning applications.

8. RISK MANAGEMENT

- 8.1 This report is most closely linked with Significant Business Risk No. 3a - Enabling communities to become more sustainable. The key risks are set out below:

9. CONSULTATIONS

- 9.1 The District Council undertook formal consultation on the content of the submission draft Stradbroke Neighbourhood Plan between 19 April and 1 June 2018. The written representations received can be accessed via the link at Appendix 3.
- 9.2 Guidance issued in early 2018 by the Independent Examiner Referral Service (NPIERS) now also affords the Parish Council / Neighbourhood Plan Group the opportunity to respond to the submitted representations before the examination commences. A link to the Parish Councils response is also provided at Appendix 3.
