Environment and Commercial Partnerships

Assistant Director Chris Fry

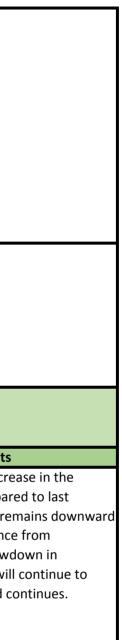

The Environment and Commercial Partnerships teams provide the services and expertise to support our communities and businesses to maintain a sustainable environment and meet the highest possible standards of environmental protection, food safety, energy efficiency, built environment, heritage protection, waste management and grounds maintenance, street cleansing, arboriculture and public conveniences.

	April - June 2018	July - September 2018	October - December 2018	January - March 2
Main Achievements	 Material Recovery Facility Procurement documentation completed and advertised Recycling Officers attended Hadleigh Show 'Solar Suffolk Together' launched Electric Vehicle point in Hadleigh installed Suffolk Climate Change Partnership successfully bid for just under £2.8M from the Warm 	September. Several parish councils have expressed an interest in buying the special bins as the new design is encouraging more people to place their rubbish in the bins rather than around them.	 The Commemoration of the centenary of the Great War event at Beaumont Park, Hadleigh saw 16 oak trees planted, this was well attended with over 50 people present Major fly tipping prosecution concluded after a prolonged investigation that impacted both 	
Main Achievements (continued)	Central Government gave local authorities the opportunity to bid for funding to combat roadside littering. £10,000 funding was secured and the project is supported by all 7 Suffolk local authorities, each authority also put £500 into the budget and agreed to pledge officer time for monitoring.		 Successful bid to Suffolk Transformation Challenge Award fund by Suffolk Building Control officers for a 2 year business development officer to improve the performance of the local authority building control. Bakers Mill, Great Cornard completion and opening of the footpath
