Subject: BDC Planning Re-consultation Request - DC/18/02412

Dear Jo Hobbs,

Thank you for consulting us regarding this development and apologies for the late replay. The site does not trigger SCCs current safeguarding policies in the Minerals Core Strategy or emerging policy in the Suffolk Minerals and Waste Local Plan. The site is also not within close proximity to any waste facilities.

As such we have no comments regarding minerals and waste safeguarding.

Kind regards,
Cameron
