Table 3- Exemptions to Undertaking a Competitive Sourcing Process

Type of Exemption	Criteria	£ Value for which this Exemption can be Applied
Sole Provider	Where for technical or artistic reasons connected with the protection of exclusive rights only a single supplier can meet the requirements.	Unlimited
Urgency A	Emergency action is required which acting diligently the Council could not have foreseen and if not taken would provide an unacceptable impact upon on the delivery of the Council's services.	Up to the value of the UK Public Contract Regulations value thresholds.
Urgency B	In cases of extreme urgency, where the health and safety of the public is at stake and the likelihood of harm during the period of delay is considerable, for reasons unforeseeable by and not attributable to the Council.	Unlimited
Additional Requirements	Where the Council requires a contractor to provide additional goods or carry out additional works or services beyond 50% of the original contract value (including any extension included in the original terms of the contract); which the Council acting diligently could not have foreseen and undertaking a further competitive sourcing process is unlikely to deliver value for money and will impede upon the delivery of the Council's services. However the total value of the contract must not exceed the UK Public Contract Regulations value threshold for the relevant category.
