5. Risk Management

- 5.1 This report is most closely linked with the Council's Corporate/Significant Business Risk No. 1 (Political and Managerial Leadership). Key risks are set out below:

Risk Description	Likelihood	Impact	Mitigation Measures
Members not appointed and therefore not able to represent the Council's strategic priorities on Outside Bodies	Unlikely (2)	Bad (3)	Members appointed to Outside Bodies to provide an Annual Report to the relevant Committee and to discuss key issues with their Group Leader on a regular basis.

6. Consultations

6.1 Consultations have been undertaken with all political groups.

7. Equality Analysis

7.1 The Outside Bodies represent the diverse range of communities across the District. This will be continuously reviewed by officers to ensure that the range of Bodies continues to be diverse and inclusive of our communities.

8. Shared Service / Partnership Implications

8.1 To support synergy between the two Councils, opportunities for joint appointments were explored when appointments were reviewed in 2015, and the joint appointments which were identified have been continued, with the exception of the Suffolk Health and Wellbeing Board.

8.2 The Board's composition now allows for each District to have its own representative (and substitute).

9. Implications for the Joint Strategic Plan

The annual review process which was agreed by the Council enables it to review the appropriateness of the appointments in the context of the Council's Strategic Outcomes.

10. Key Information

10.1 The Leader of the Council has put forward nominations for the Bodies listed in Appendix A, which are those to which appointments were made in 2018.

Review process

10.2 A regular review of the list of Outside Bodies will help to ensure relevance and appropriateness of membership by applying basic criteria such as the following:

- The appointment is necessary to fulfil one of the Council's statutory functions
- The appointment is necessary to protect the Council's investment and assets
- There was not a significant cost and resource implication for the Council when measured against any accrued benefit.
- The balance or risk of any detrimental impact on the Council if it were not represented.
- The appointment raises the profile of the Council at a national or regional level.
- The appointment furthers the Council's strategic priorities.
- The Council works in partnership with a number of the Outside Bodies in a variety of ways, some more directly than others because of the existence of service level agreements or by holding corporate positions on organisations because of legal agreements.
