Police Representation under the Licensing Act 2003.
Infinity Night Club – 98 East St. Sudbury, CO10 2TP
Temporary Event Notice for 7/2/16

As a responsible Authority under the Licensing Act 2003, we have received a copy of a temporary event notice (TENs) for the above address. After consideration, we wish to make a representation under the Act as in our opinion; we feel that the approval of the application would compromise one of the objectives, namely 'The prevention of crime and disorder.'

The application has been submitted by Mr Derek SMITH, and the TEN details are as follows;

03:30 till 04:30 on Sunday 7th February 2016

Activities applied for: Alcohol On Sales only, the Provision of Regulated Entertainment and the Provision of late night refreshment.

On the premises licence for the above location, the above activities are licensed till 03:30 and an hour's extended activity has been requested due to a guest appearance at the premises by Vicky PATTISON from the TV programme – Geordie Shaw.

The Prevention of crime and disorder

Considering the objective listed above, we feel since July 2015, the premises has suffered numerous reports of low level violence, anti-social behaviour and excessive drunkenness. This is currently being monitored by Police and the local Authority with a view to working with the premises to show an improvement. At this time, it is too soon to report a significant improvement and would not currently support any increase in hours through a temporary event notice, even if the premises are adhering to their conditions during the temporary event notice.

In consideration of all the circumstances, on behalf of the Chief Constable, I represent again this application.

Yours sincerely,

PC938 McAuley
