

MID SUFFOLK DEVELOPMENT COMMITTEE B

ITEM 7C – DC/21/04099 – LAND AT EYE AIRFIELD, EYE

Members are updated as follows:

- No further consultation responses have been received from notified Parish Councils.
- **SCC Lead Local Flood Authority** has removed its holding objection, and has recommended the inclusion of conditions on a grant of planning permission. Therefore the recommendation to Members can be altered to a grant of planning permission subject to summarised conditions in the report, and also the additional conditions recommended in this paper.
- In the event that the recommendation of approval is accepted, Officers recommend that additional conditions are imposed in addition to those listed in the agenda report as follows:
 - Conditions recommended by the LLFA
 - Charging points for cars, and cycle parking in accordance with adopted standards
 - details of lighting for the development
 - provision of fire hydrants

Plus the informatives identified by the LLFA in its consultation response.
