

Appendix C

Objection to variation of License: -

2)

The proposed variation is to amend the hours for the sale of alcohol and opening hours to 06:00 to 00:00 every day of the week.

We would like to register our objections to this proposed variation of license, for the following reasons: -

A) the store is immediately adjacent to a residential area.

B) The noise levels at these times (6:00am to 0:00) WILL be disruptive to sleep, causing an adverse effect on our health and wellbeing.

C) It would appear that this would also entail further noise and disruption, by refrigerated delivery lorries, PRE the 6:00am opening and AFTER the current 10pm Closing time, up to, and beyond 0:00 midnight.

D) the additional noise and car lights in the carpark at the proposed new times, the noise and disruption of shoppers, banging their car doors and car boots, plus their shopping trolleys etc would be stressful in the extreme.

We trust you will take these objections seriously when considering the matter, and see fit for the proposed variations to be rejected accordingly.

Many thanks for your considerations.

Kind Regards

Debbie Mansfield,
Brian Mansfield,
David Finnigan.

Good evening,

I have recently seen the small poster regarding the change in opening hours. However nearby properties have not been informed.

This is primarily a residential area. There is a significant impact on residents already with deliveries being made at various times, sometimes by refrigerated lorries as early as 5.30am and ground maintenance being carried out early on Sundays and bank holidays.

The steps leading to queens road often have a congregation of young people, sometimes drinking , I am concerned that this will increase with the extended opening hours.

I see no benefit to customers, residents or staff by allowing this licence to be approved.

Regards,

Vanessa Savine
