### LICENSING ACT 2003 – HEARING TO DETERMINE AN APPLICATION MADE FOR THE GRANT OF A NEW PREMISES LICENCE – WOOD ROAD SITE, HAUGHLEY PARK, WOOD ROAD, WOOLPIT

#### 1. Purpose of Report

- 1.1 To report information to the Sub-Committee to enable the determination of an application made for the GRANT of a NEW premises licence made by Haughley Park Ltd. in relation to the above premises.

#### 2. Recommendations

- 2.1 The Sub-Committee must, having regard to the representations made, take such of the steps below (if any) as it considers appropriate for the promotion of the licensing objectives:

- to GRANT the licence subject to conditions which are consistent with the operating schedule accompanying the application - modified to such extent as the authority considers appropriate for promotion of the licensing objectives - and subject to any mandatory condition(s) which must be included in the licence;
- to EXCLUDE from the scope of the licence any of the licensable activities to which the application relates;
- to REFUSE to specify a person in the licence as premises supervisor; or
- to REJECT the application.

For these purposes conditions of the licence are modified if any of them are altered or omitted or any new condition is added.

That the Sub-Committee determines this application at the hearing

#### 3. Financial/Legal Implications

- 3.1 There is a statutory right of appeal to the magistrates' court for any party aggrieved by the decision taken by the Licensing Authority.

#### 4. Risk Management

- 4.1 None, other than those that inherently apply to the Licensing Authority when carrying out its licensing functions. The four licensing objectives are prevention of crime and disorder, public safety, prevention of public nuisance and protection of children from harm.

- 5.1 The application made has been subject to the statutory consultation period as prescribed by regulation. The notices advertising the application have been on display at the premises and published in the Bury Free Press – 4<sup>th</sup> March 2022 edition.

## 6. Equality Analysis

- 6.1 There are no equality impacts arising directly from the matters contained within this report.

## 7. Key Information

- 7.1 The hearing is to determine an application for the GRANT of a NEW premises licence made under section 17 of the Licensing Act 2003. A copy of the application was received on 25th February 2022. This is attached as **Appendix A** to this report.

- 7.2 The application has been submitted by:

### **Haughley Park Ltd.**

For the proposed licensed premises:

### **Wood Road Site, Haughley Park, Wood Road, Woolpit**

The designated premises supervisor (DPS) is:

### **Robert Williams**

- 7.3 Full details of the proposed activities and timings are contained within the application form attached to this report as **Appendix A**.
- 7.4 The steps proposed by the applicant to promote the licensing objectives in the operating schedule (part M) are attached as **Appendix B**.
- 7.5 The plan detailing the areas to be licensed are attached to this report as **Appendix C**.
- 7.6 A hearing is necessary to determine the application following receipt of representations which have not been withdrawn. The Sub-Committee will be aware that its consideration is confined to promotion of the four licensing objectives and the 'need', or commercial demand, for licensed premises are not considerations for the Licensing Authority when discharging its licensing functions (as outlined by the Secretary of State at paragraph 14.19 of the Guidance issued under section 182 of the Licensing Act 2003).
- 7.7 The Licensing Authority must carry out its functions under the Act with a view to promoting the licensing objectives, which are:

- (a) the prevention of crime and disorder;
- (b) public safety;
- (c) the prevention of public nuisance; and
- (d) the protection of children from harm

- 7.8 In carrying out its licensing functions, the Licensing Authority must have regard to its Statement of Licensing Policy published under section 5 of the Act, and any guidance issued by the Secretary of State under section 182 of the Act.
- 7.9 Where revisions are made to the legislation or guidance issued by the Secretary of State, there may be a period of time when the local Statement of Licensing Policy is inconsistent with these revisions. In these circumstances, the Licensing Authority will have regard, and give appropriate weight, to the relevant changes, guidance and its own Statement of Licensing Policy.
- 7.10 The Sub-Committee will also be aware of Human Rights Act 1998 considerations - specifically Article 6 and Articles 8 and 1 of Protocol 1 when determining applications for the grant of a new licence.
- 7.11 Members of the Sub-Committee will be aware that the Licensing Act 2003 is not the primary mechanism for the general control of nuisance and anti-social behaviour by individuals once they are away from the licensed premises and therefore beyond the direct control of the individual, club or business holding the licence, certification or authorisation concerned. Nonetheless, the Licensing Act 2003 contributes towards a holistic approach to management of the evening and night-time economy (as outlined by the Secretary of State at paragraph 14.13 of the Guidance issued under section 182 of the Licensing Act 2003 and Mid Suffolk District Council's Statement of Licensing Policy at 1.9).
- 7.12 Members of the Sub-Committee will be aware of Statutory the Secretary of State's guidance at paragraph's 14.64 and 14.65, which states that planning and licensing are different regimes, and neither is bound by the others decisions. There are circumstances when as a condition of planning permission; a terminal hour has been set for the use of premises for commercial purposes. Where these hours are different to the licensing hours, the applicant must observe the earlier closing time. Premises operating in breach of their planning permission would be liable to prosecution under planning law.
- 7.13 Public nuisance is given a statutory meaning in many pieces of legislation, however under the Licensing Act 2003 it is not narrowly defined and retains its broad common law meaning (as outlined in by the Secretary of State at paragraph 2.16 of the Guidance issued under section 182 of the Licensing Act 2003).
- 7.14 The Licensing Authority's general approach to considering licensing hours is contained within section 6 of the local Statement of Licensing Policy, and section 7 guides on relevant representations.

## **8. Representations**

- 8.1 The Licensing Authority has received no representations from the Responsible Authorities under the Licensing Act 2003. Further conditions have been agreed by the applicant after mediation with Environmental Protection these are attached as **Appendix D**
- 8.2 The Licensing Authority has received 23 representations made by 'other persons' (which includes local residents, businesses and residence association). This is attached as **Appendix E** to this report.
