- 70.2 Councillor Norris enquired if the single resident discounts removed as detailed in paragraph 3.16 of the report were as a result of deliberate fraud or residents forgetting to inform changes of circumstance and how much had been recovered.
- 70.3 The Corporate Manager – Internal Audit and Risk replied that a mixture of deliberate and non-deliberate claimant error had resulted in the figures stated and amounts recovered would be reported back to committee when available.

- 70.12 Councillor Eburne stated that the language within the report indicated that most instances were due to error or not understanding processes rather than deliberate fraud and asked for reassurance that training was given to officers to enable these to be identified during daily routines and could an indication be given of the workload taken to resolve the administration error that had occurred.

- 70.13 The Corporate Manager – Internal Audit and Risk Management reassured Councillor Eburne that the workload to resolve all issues were proportionate.
- 70.14 Councillor Barrett stated that studies show that fraud at works typically begins with errors which are not detected which can then develop into fraud.
- 70.15 The Corporate Manager – Internal Audit and Risk Management stated that he was familiar with profiles and that errors should not just be dismissed.
- 70.16 Councillor Hurren asked if people with two houses both claiming single resident discount was illegal, the Corporate Manager Internal Audit and Risk Management stated he would investigate and report back outside meeting.
- 70.17 Councillor Hurren enquired if the Council had sufficient funds to handle a major cyber security event.
- 70.18 The Corporate Manager – Internal Audit and Risk Management stated that the audit for cyber security would be reported at year end with reasonable assurance given.
