

Equality Impact Assessment (EQIA)

The characteristics protected by the Equality Act 2010 are:

Disability	Age	Sex (gender)
Gender reassignment	Marriage/civil partnership	Pregnancy/maternity
Race	Sexual orientation	Religion/belief

By law we must have due regard to the need to:

- (a) *eliminate discrimination, harassment, victimisation, and any other conduct that is prohibited by or under the Act*
- (b) *advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it*
- (c) *foster good relations between persons who share a relevant protected characteristic and persons who do not share it.*

In effect, this means that we need to ensure that our policies and services are fair, equitable and proportionate and where possible mitigate against any adverse impacts on people from the different protected characteristics.

In addition to the above protected characteristics, you should consider the impact of living in a **rural area** as part of this assessment. Where people live is not a characteristic protected by law, but for an organisation such as Babergh and Mid Suffolk District Councils it is good practice to consider carefully how location may affect people’s experience of a policy or service.

The Rural-Urban definition defines the rurality of very small census-based geographies. Census Output Areas forming settlements with populations of over 10,000 (which are urban), while the remainder are defined as one of three rural types: *town and fringe, village, or hamlet and dispersed*.

Description

<p>What exactly is proposed</p> <p><i>Review of Councillor Allowances Scheme</i></p>
<p>Why?</p> <p><i>It is a statutory requirement that the Councillor Allowances Scheme is reviewed every 4 years.</i></p>
<p>What will the effect of the changes be?</p> <p>Members will have an enhanced Councillor Allowance Scheme with the introduction of a parental leave scheme</p>
<p>How will it be implemented?</p> <p><i>The decision will be taken at full Council with an agreed date of implementation.</i></p>
<p>When is it due to start? May 2023</p>
<p>Any other relevant details</p>

<p>Data about the population</p> <p>Members are made up from a diverse range of people. However, because of the nature of the work they undertake it is difficult to take time off formerly from their duties for more than six months without being disqualified from office. The agreement to introduce a parental leave policy will encourage people who are thinking about starting a family and enable them to continue in office throughout their pregnancy and parental leave including adoption leave.</p>
<p>What is the profile or make up of your service users by protected characteristics?</p> <p>This information is not available</p>

<p>Implications for communities and workforce</p>	
<p>Disability</p>	
<p>What is the impact on people with a disability (including children with additional needs) and what evidence do you have? <i>(If you do not believe there is any impact describe why not)</i></p>	<p>The Councillor Allowance Scheme provides for a basic allowance which is paid to all councillors whatever their circumstances</p> <p>The scheme has a dependent carers allowance which can be paid on the production of receipts with no limit of the amount of hours you can claim. This enables an individual councillor to carry out their duties with some additional financial recompense for childcare and caring duties.</p>
<p>How does it have a positive or negative impact?</p>	<p>This is a positive impact and would allow members who are carers and parents the ability to attend council</p>
