CODE OF CONDUCT COMPLAINTS MONITORING REPORT

1. PURPOSE OF REPORT

- 1.1 The report provides the Committee with an update on Code of Conduct complaints received or determined since the last time that such complaints were reported to the Committee.

2. OPTIONS CONSIDERED

- 2.1 The Monitoring Officer is required by the constitution to regularly report complaints to the Joint Audit and Standards Committee.

3. RECOMMENDATION

- 3.1 That the Code of Conduct Complaints monitoring information contained in the report be noted.

4. KEY INFORMATION

- 4.1 The Monitoring Officer receives and investigates code of conduct complaints made about Councillors. These complaints are allocated to either the Monitoring Officer or one of the two Deputy Monitoring Officers and are processed in accordance with the adopted code of conduct complaints procedure. An initial assessment is made of the complaint to establish whether or not the code of conduct is engaged. If the complaint is valid, the Monitoring Officer will write to the Councillor who is the subject of the complaint to ask for their response. The Monitoring Officer will then decide whether the complaint can be determined or whether further investigation is required. Councillors will normally be informed whenever a complaint is made about them unless there is good reason not to inform them. Complaints cannot be made anonymously unless the complainant is able to demonstrate that they may be at risk of harm if anonymity was not granted.
- 4.2 The Councils have appointed a number of Independent Persons, with whom the Monitoring Officer is required to consult before making a finding of a breach of the code. In practice the Independent Persons are often consulted at a number of stages in the complaints process.
- 4.3 This report covers complaints received in the period from 1 May 2022 to 17 January 2023.
