Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)

NB: The hours applied for regarding alcohol sales and opening hours are to ensure we can welcome our guests for overnight stays. This is the reason behind our application for 24 hours on both.

All staff shall be suitably trained for their job function for the premises. The training shall be written into a program ongoing and under constant review and shall be made available to a relevant responsible authority when called upon.

Alcohol sales will be predominantly for prebooked invited guests.

b) The prevention of crime and disorder

A CCTV system shall be installed to cover all entry and exit points enabling frontal identification of every person entering in any light condition.

The CCTV system shall continually record and cover areas where alcohol is kept for selection and purchase by the public, whilst the premises is open for licensable activities. It shall operate during all times when customers remain on the premises.

All recordings shall be stored for a minimum period of 31 days with correct date and time stamping and shall be made available immediately upon the request of Police or an authorized officer of the council throughout the preceding 31 day period.

A staff member from the premises who is conversant with the operation of the CCTV system, shall be on the premises at all times when the premises are open to the public.

This staff member must be able to show a Police or authorized council officer recent data or footage with the absolute minimum of delay when requested.

CCTV shall be downloaded on request of the Police or authorized officer of the council.

Appropriate signage advising customers of CCTV being in operation, shall be prominently displayed in the premises.

The premises shall upload a zero-tolerance policy in relation to illegal drugs.

A premises daily register shall be kept at the premises. This register shall be maintained and kept for a rolling period of 12 months.

The register shall record all incidents which may have occurred which are relevant to the supply of alcohol and the promotion of the licensing objectives. Such incidents shall include, but not be limited to, complaints made to the premises alleging nuisance or anti-social behavior by persons attending or leaving the premises and all refusals to sell alcohol.

The register shall be readily available for inspection by an authorized person upon reasonable request.

Super-strength lagers, beers and/or ciders, ie those with an ABV of 6.5% or higher, shall not be sold at the premises.

c) Public safety

All exit routes and public areas shall be kept unobstructed, shall have non-slippery and even surfaces, shall be free of trip hazards and shall be clearly signed.

A written record of these checks shall be kept and made available to an authorized officer of the licensing authority.

Empty glasses and bottles shall be removed from public areas quickly and efficiently.

All outside events shall be risk assessed for the potential public nuisance from noise and the assessed noise management plans shall be implemented when required.

Disposal of Waste bottles into external receptacles where the noise shall be audible to neighbouring properties shall not occur between 19:00 hours and 07:00 hours on the following day.

No deliveries to the premises from commercial vehicle shall take place between 19:00 and 06:00 on the following day.

No person shall be allowed to leave the licensed area whilst in the possession of any open drinking vessel or open glass bottle, whether empty or containing any beverage. The management of the premises shall provide contact details to local residents and put in place a complaints procedure for those residents who wish to make a complaint.

The premises licence holder shall ensure that any patrons drinking and/or smoking outside the premises do so in an orderly manner and ensure that there is no public nuisance.

e) The protection of children from harm

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at https://www.gov.uk/prove-right-to-work) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
